Just log on to <http://www.DEXBuys.com>.

If you haven't been to the DEXBuys website yet, here's how it works. You can view the DEX buying list via <http://www.DEXBuys.com>. If you have product to sell, place a competitive bid to win the opportunity to quickly move your inventory. DEX guarantees that the lowest qualifying supplier bid wins. The winning supplier will be notified by e-mail and receive a DEX purchase order within 24 hours from the bid award.

DEXBuys has purchased over \$1 million of computer hardware per month over the last few months, and these purchases are projected to triple in the first quarter of 2000. If you have product to sell, DEXBuys at <http://www.DEXBuys.com> is looking for you! And today, we have an urgent need to buy Apple and Dell products. So log on today if you'd like to move that product out and make some money today!

DEXBuys is a division of Data Exchange Corporation (DEX), <http://www.dex.com> a leader in all high tech computer services with nearly 20 years experience in the US and Europe.
