Re: FOIA Request No. 2003 - 73
Link In Software/Appsales

Dear Mr. Wagner:

This is in response to your November 5, 2002, e-mail requesting access, under the Freedom of Information Act ("FOIA"), to the SPAM messages reported to the Federal Trade Commission ("FTC") that are related to Link In Software/Appsales. Pursuant to the FOIA and agency policy, we have searched our records as of November 7, 2002, the date we received your request in our FOIA office.

We have located approximately 11,500 pages of responsive records thus far. These records contain information that is exempt from release under the FOIA, therefore, each record must be reviewed by Commission staff before it can be released. We have made a good faith estimate of the costs associated with this request and have determined that it would cost approximately \$32,298 to process this request. This estimate is for the responsive records received within the last 15 months. If you are interested in receiving responsive records beyond this time frame, additional fees will apply. In order to process a request of this nature we would require a down payment of 1/3 of the estimated cost. If you wish for us to proceed please contact Arianne Perkins at (202) 326-2405 by January 2, 2002.

Sincerely,

A handwritten signature in cursive script that reads "Joan E. Fina".
