RE: ASIS Internet Services v Optin Global, Inc., et al
USDC, Northern District of California, CV-05-5124 JCS

Dear Judge Spero:

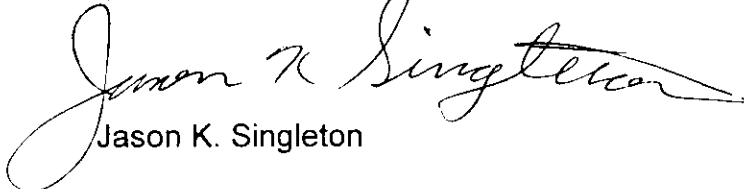

Plaintiff and Defense counsel have been discussing the Court's order Dated April 30th 2007, directing counsel meet and confer on discovery issues.

Plaintiff requests one issue of clarification. Plaintiff's counsel has twice traveled to San Francisco for the sole purpose of meeting and conferring on discovery issues. Defense counsel was requested to meet at Plaintiff's counsel's office to comply with the Court's present Order, and the Court's statement at the CMC conference that the location for discovery conferences would alternate between Plaintiff's and Defense counsel's offices.

Defense counsel has refused to confer at Plaintiff's counsel's office, and consequently, I will if necessary travel a third time to San Francisco. That conference is tentatively set. I would however request some instruction from the Court on this issue.

Respectfully submitted,
