Mike,

Few things were not included in your IO which we had discussed previously. Could you please have the following include the following filters...

- Minimum loan = 80K
- Max LTV = 80%

We don't want leads outside of these parameters.

Please and thank you.

Jen

Hi Mike!

It's great that we are negotiating business again ;-). I am including the posting specs for our mortgage offers which outlines the fields we require. In addition, I have attached a spreadsheet containing the states we accept.

As I mentioned on the phone, we do want to make this work so please advise me any feedback ...I know you will ;-).
