

Become a member today and start helping people!

- **DivorceStopper** has a unique income potential for its affiliates. For every customer that makes a purchase you will receive a \$20 commission. With a second level commission of 5% from the other people you sign up as affiliates.

Member Login:

- The fact is that at least 50 % of all marriages end in divorce and wouldn't it be nice if you could play a part in stopping the hurt of divorce as well as the knowledge that you are helping to rebuild their relationships?

How to join... its easy !

- We will make this process REALLY easy for you... it's all done online and automatically.
- To get started, just click sign up now! There's no cost to you and it takes a few minutes.
- Affiliate membership is totally free and there is no obligation to sign up for any of our services.
- You will receive a monthly commission check each month on the 15th just like clockwork.

- Within your account you can choose from a selection of banners and text links to place on your site, email, and/or newsletter. The links will contain a unique account code to track all sales generated by your web site.
- When one of your visitors clicks on our banner, they are linked to divorcestopper.com. **Then...** If they make a purchase with us... The system will track your code and automatically calculate your commission for every sale.

We will pay you lifetime commissions !!!

- Unlike some other programs, the DivorceStopper affiliate program offers you a lifetime commission for every single sale. You will receive commissions every month! Just do the math... It's incredible!
- You can check the status of your account online with our fully reliable and accurate tracking system.

- This unique, state-of-the-art tracking system gives you 24-hour access to your account status in real time.
- You will be given a special password to view all of your activity. You can be confident your account will be accurate, and checks sent out on time.

Sounds profitable?
